HEWLETT-PACKARD INTRODUCES PROFESSIONAL CALCULATORS FOR A STUDENT'S BUDGET.

THE PRICE OF EXCELLENCE NOW STARTS AT $60.*

To get a professional calculator, you've always had to pay a professional price. Until now.

Introducing Series E—five precision calculators designed for a student's needs and budget. If you've wanted a professional calculator for your college work, but thought you couldn't afford it—now you can.

DESIGNED FOR STUDENTS.

Easy-to-read display. Larger, brighter LED display with commas to separate thousands. Easier on the eyes during those long hours of study.

Checks you. Checks itself. Built-in diagnostic systems tell you: 1) when you've performed an incorrect operation; 2) why it was incorrect; and 3) if the calculator isn't working properly.

Accuracy. Improved algorithms give you confidence that your answers are more precise and complete.

ANSWER YOUR NEEDS WITHIN YOUR MEANS.

For Science and Engineering.

The HP-31E—Scientific. $60*
The HP-32E—Advanced Scientific with Statistics. $80*
The HP-33E—Programmable Scientific. $100*

For Business and Finance.

The HP-37E—Business Management. $75*
The HP-38E—Advanced Financial with Programmability. $120*

HEWLETT-PACKARD IS WITHOUT EQUAL.

In logic systems. Series E uses RPN logic exclusively. It lets you solve problems the way you naturally do in your mind. Straightforward. Logical. No worrying about complicated hierarchies or parentheses. When solving lengthy problems, you push fewer buttons and save time. RPN is the shortest possible distance between the question and the answer.

SEE FOR YOURSELF.

To help make choosing your calculator a little easier, we've written a booklet entitled, "The Student's Choice... The Logical Choice." For your free copy, send in the reply card on the following page. You can also get the booklet when you stop by your Hewlett-Packard dealer to see the new Series E. For your nearest dealer, **CALL TOLL-FREE 800-648-4711** except from Hawaii or Alaska. In Nevada, call 800-992-5710.

While you're there be sure to see our advanced programmable HP-29C and HP-19C with printer. For a really educational experience try our HP-67 mag-card programmable. It's the most powerful hand-held calculator we make. But do it now. Hewlett-Packard professional calculators that start at just $60* are something you can't afford to pass up.

For some people only separates are good enough.

If you're really into music, you probably demand more from your stereo system than most people.

That's why you should consider separate components.

When the amplifier and tuner are designed individually, they offer the very latest developments in high fidelity.

Like our DC amplifiers with dual-power supplies for extremely low distortion. And Kenwood tuners with switchable bandwidths for the best reception under even difficult conditions.

Technical improvements like these are why separate components mean better quality sound. And why serious audiophiles have always insisted upon them.

Since you can pick and choose your individual components, separates allow you to custom-tailor your music system for your kind of listening. Without any compromises.

At Kenwood, we make a complete line of high-fidelity separate components. Even two stereo system racks to keep things organized. And everything we make delivers the kind of quality, performance, and value you've come to expect from us.

That's why for some people, only Kenwood is good enough.

PIONEER ANNOUNCES THE SAME, NEW STUFF.

About two years ago, we introduced this.

The first *Supertuner*® car stereo in the world. With FM useable sensitivity of 1.1 μV, selectivity of 74 dB, and a capture ratio of 1.7 dB.

And to this day, no other manufacturer of car stereo has caught up with it.

It pulls in stations like no other car FM. It gives you a stronger signal, for better sound. It comes with audiophile features like FM muting, to eliminate noise between stations. Loudness contour, for rich sound even at low listening levels. Separate bass and treble. And, of course, a built-in cassette deck.

For us, the *Supertuner* is an old friend.

But, for others, it seems to be unattainable technology.

And how could we attain it when others couldn't? Because Pioneer is one of the most respected audio manufacturers in the world. With superb design capability, engineering expertise, and manufacturing ability.

Obviously, you get the benefit of all that leadership no matter which Pioneer products you buy. From our simplest tape decks to our incredible, new car-component *Supersystems*.

So, why not give Pioneer a listen at your dealer's?

And don't let a small budget hold you back. Some of our affordable old stuff represents newer technology than other people's unaffordable new stuff.

SUPER TUNER® BY PIONEER.

ARMORY PROCEDURES

Priority for New Students and Special Problems

Newly admitted, reinstated and readmitted students who were unable to preregister and those students meeting the criteria for Schedule II will have priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of preregistration and thus avoid the necessity of going to the Armory.

SCHEDULE I — Nonpreregistered newly admitted, readmitted, and reinstated students
Monday, August 21 — 8:30 a.m. to 3:55 p.m.

This schedule will apply to newly admitted, readmitted, and reinstated students who did not preregister. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. Newly admitted students must present their Letter of Admission, signed by their Provost, Dean, or designated representative, to be permitted to enter the Armory. Readmitted students must present their Letter of Readmission and reinstated students must present their Letter of Reinstatement to be permitted to enter the Armory. While advisement is not a prerequisite for Armory admission for readmitted and reinstated students, these students are strongly urged to take advantage of campus advisement offices. Only students who had no opportunity to preregister may register according to this schedule.

SCHEDULE II — Partially Scheduled Preregistrants
Monday, August 21 — 4:00 p.m. to 6:00 p.m.

This schedule will apply to students who request 9 or more credits in preregistration but receive 8 or less and to students who request 8 credits or less and do not receive the number they request. Students in this category will be notified of their eligibility for Schedule II by a message on their preregistration Schedule Card. This schedule containing the message indicating eligibility and the semester Registration Card will permit students to enter Reckord Armory according to the alphabetic schedule printed on this page. Excluded from this category are students who requested 8 or less credits and received the number of credit hours they requested.

SCHEDULE III — All other students
Tuesday, August 22 — 8:30 a.m. to 6:00 p.m.

This schedule will apply to all other students not included in the first two categories. Students who were registered for Spring, 1978, but did not preregister for Fall, 1978, will be included in this category. Students under this category should report, according to alphabetic schedule, to the Armory.

Students are expected to enter the Armory according to the schedule published in this Schedule of Classes. Any student attempting to enter the Armory at a time other than the one assigned will be considered to be violating General University Regulations, specifically, the "General Statement — Student Responsibility." The University Regulation states "Students are expected to conduct themselves at all times in a manner consistent with the University's responsibility of ensuring to all members of the University the opportunity to pursue their educational objectives and of protecting the safety, welfare, rights, and property of all members of the University itself." *Such cases will be referred to the University Judiciary Board for appropriate action.*

Preregistered students are notified on their preregistration Schedule Card which day they will be eligible to process drops and adds in the Armory.

A registration is NOT processed until the "Registration Copy" of all drop/add forms has been turned in to the representatives of the Registrations Office.

REGISTRATION PARKING AND SHUTTLEBUS SERVICE

On Monday, August 21, and Tuesday, August 22, students will be able to park in campus lots 1, 3, 4, and 7. Express shuttlebus service will be provided between these parking lots and Reckord Armory.

FIRST AID AVAILABLE DURING REGISTRATION

A First Aid Station is centrally located in the basement of the Armory. A registered nurse is in attendance to facilitate treatment for a wide range of problems. For assistance ask for directions from any of the registration personnel or the Campus police.

STEP 5 — HOW TO PAY YOUR BILL

IF YOU DID NOT PREREGISTER	IF YOU DID PREREGISTER
Complete academic course sectioning. Complete the Student Bill Form given to you upon entrance to the Business Services Area at Station #1. Go to Student Aid Desk if you have any form of student aid financial support coming to you. Go to the Business Services area — Station #2 to get bill added. Go to Station #3 to obtain a payment card. Make out your check at the Check Writing Tables, Station #4. Write student's name and social security number on the front of the check. Pay the Cashier at Station #5. Turn in all course slips at the Final Registration Desk, Station #6, as you exit the main floor of the Armory. Registration is not official until "Registrations" (hard copies) of add forms are turned in. A graduate student or part-time undergraduate who returns to add course(s) which result in a net increase to his/her account must pay this amount by August 25, 1978. An additional bill will not be mailed.	Make any academic schedule adjustments. Do not enter the Business Services enclosure. Drop tuition payment in box at the Division of Business Services entrance gate unless you require change from a check. Be sure student's name and Social Security Number is written on the front of your check. If you require change or a receipt, go to the Cashiers Cage in the South Administration Building and make your payment. Any drop/add which results in a net increase to your account must be paid by August 25, 1978 to avoid a late fee. An additional bill will not be sent to you for the drop/add. Exit via the rear door of the Armory.

OTHER BILLING INFORMATION

Bills for payment of fees will be mailed to students who preregistered for the Fall semester. PAYMENT IN FULL MUST BE MADE NO LATER THAN THE FIRST DAY OF CLASSES BY BOTH PREREGISTERED AND REGULAR REGISTRATION STUDENTS. Prompt payment by mail is encouraged to avoid the long lines of registration time.

Payments may be made by mail or at the Office of the Cashier, South Administration Building, Monday through Friday, 8:30 a.m. to 4:15 p.m. Accounts not paid by August 25 are delinquent and are subject to referral to the State Central Collections Unit at Baltimore.

Students paying by personal check may drop payment in Mail Remittances hallway drop box beside Room 1108, South Administration Building, at any time; processed check will serve as receipt. Students paying in person at Cashier's Office are required to present Student ID card with payment.

Students who did not preregister and do not pay their bills while in the Armory have not completed registration. As a courtesy, the registration packet will be held at the Final Registration Station until full payment is made. Proof of payment must be shown by Friday, August 25, 1978, and the packet picked up. If the packet is not picked up by Friday, August 25, 1978, when the Armory Registration closes; the packet will be held at the Registrations Counter, first floor North Administration Building, through Late Registration. However, the Late Registration Fee ($20.00) is charged. Failure to pick up packet will result in no registration for the semester and no grades.

FAILURE TO PAY OUTSTANDING DEBTS WILL RESULT IN SEVERANCE OF UNIVERSITY SERVICES AND TRANSFER OF ACCOUNT TO STATE CENTRAL COLLECTIONS UNIT. A MINIMUM 15% COLLECTIONS CHARGE IS ADDED AT THIS TIME.

Any preregistered student whose bill is to be paid by an outside agency is requested to come to Room 1103, South Administration Building with a copy of the Agency Purchase Order prior to Registration to receive contract credit. The cut-off date for acceptance of all contracts is August 18, 1978. The student remains responsible for fees if not paid by sponsor.

WHEN A PAYMENT IS MADE TO THE UNIVERSITY, PAYMENT OF ANY OUTSTANDING BALANCE PRECEDES PAYMENT OF CURRENT INDEBTEDNESS. That is, the oldest account balance is liquidated first.

FINANCIAL AID CHECKS (NDSL, BEOG, SEOG)

Financial aid checks will be available in the Armory on August 21 and August 22 for non-preregistered students only.

Financial aid checks will be available in the Armory for all students (new registrants and preregistered students) on August 23, 24, and 25.

After August 25, financial aid checks may be picked up in Room 1103 of the South Administration Building between 9:00 a.m. and 4:00 p.m., Monday through Friday. Checks should be picked up as soon as possible as all remaining checks will be cancelled and returned to the State Treasurer on September 29, 1978.

You must have your I.D. and proof of credits (preregistration card and/or add slips) in order to pick up your check.

FEES AND EXPENSES

ALL STUDENTS WHO PREREGISTER FOR THE FALL SEMESTER INCUR A FINANCIAL OBLIGATION TO THE UNIVERSITY.

The University of Maryland does not have a deferred payment plan. Payment of all past due balances and current semester fees is due on or before the first day of classes.

It is the policy of the University *not* to defer payment of fees on the basis of a pending application for financial assistance to an outside agency. This includes Veterans Administration, banks, guaranteed student loan programs, etc.

Returning students will not be permitted to complete registration until all financial obligations to the University including library fines, parking violation assessments and other penalty fees and service charges are paid in full.

Although the University regularly mails bills to students, it cannot assume responsibility for their receipt. If any student does not receive a bill on or before the start of each semester, it is his/her responsibility to obtain a copy of the bill by coming to Room 1103, South Administration Building, between the hours of 8:30 a.m. and 4:15 p.m., Monday through Friday.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill, mailed approximately one month after the start of the semester.

Students will be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. Students removed from housing because of delinquent indebtedness will be placed at the bottom of the waiting list after the financial obligation is satisfied and after reapplying for housing. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to preregister or register for subsequent semesters until the debt is cleared. In the event of actual registration in a later semester by a severed student who had not settled the student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester.

The State has established, under legislative mandate, a CENTRAL COLLECTIONS UNIT within the Department of Budget and Fiscal Planning. This campus has been instructed that all delinquent accounts must be transferred to the State Collections Unit.

ALL ACCOUNTS DUE FROM STUDENTS, FACULTY, STAFF,
NON-STUDENTS, ETC. ARE INCLUDED WITHIN THESE GUIDELINES.

Collection costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past due accounts to the State Central Collections Unit. The minimum collection fee is 15% plus any attorney and/or court costs.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of his or her account.

EXPLANATION OF MANDATORY FEES

The Application Fee for the undergraduate programs and the summer sessions partially defrays the cost of processing applications for admission accepted in lieu of the matriculation fee. Applicants who have enrolled with the University of Maryland in University College at College Park or Baltimore, or at one of its off-campus centers are not required to pay the fee since they have already paid a matriculation fee.

The Fixed Charges Fee is charged to help defray the cost of operating the University's program at College Park.

The Instructional Materials Fee represents a charge for instructional materials and or laboratory supplies furnished to students.

The Athletic Fee is charged for the support of the Department of Intercollegiate Athletics. All students are encouraged to participate in all of the activities of this department or to attend the contests if they do not participate.

The Student Activities Fee is a mandatory fee included at the request of the Student Government Association. It is used in sponsoring various student activities, student publications, and cultural programs.

The Recreational Facilities Fee is paid into a fund which will be used to expand the recreational facilities on the College Park campus, especially the Student Union Building.

The Auxiliary Facilities Fee is paid into a fund which is used for expansion and operation of various facilities such as roads, walks, campus lighting and other campus facilities. These facilities are not funded or are funded only in part from other sources.

The Student Health Fee is paid by all full-time students (9 credits or more, Graduate or Undergraduate), each semester — $10.00; and all part-time students (8 credits or less, Graduate or Undergraduate), each semester — $5.00. Full-time employees and staff may not use Health Service Facilities and are not charged the Student Health Fee. Graduate Assistants are not full-time employees.

Registration Fee: $5.00. Charged to all registrants each semester.

WITHDRAWAL OR REFUND OF FEES

Beginning August 23, students who wish to terminate their registration must follow the withdrawal procedures and are liable for charges applicable at the time of withdrawal.

Any student compelled to leave the University at any time during the academic year should file an application for withdrawal, bearing the proper signature, in the Office of Registrations. If this is not done, the student will forfeit his right to any refund to which he would otherwise be entitled. The date used in computing refunds is the date the application for withdrawal is filed in the Office of Registrations.

Stopping payment on a check does not constitute an official withdrawal.

In the case of a minor, withdrawal will be permitted only with the written consent of the student's parent or guardian.

Students withdrawing from the University will be credited for all academic fees charged to them in accordance with the following schedule:

Period from Date Instruction begins	*Refundable **
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	00%

** Refund is based on a percentage of* **tuition only.**

No part of the charges for room and board is refundable except when the student officially withdraws or is severed or dismissed from the University or when the student effectively completes residence halls and/or dining services contract release procedures. When the student completes the residence hall contract release procedures, a room refund will be computed based upon the requested release date and the date the request for contract release is received by Resident Life. Refunds for housing services are made on a pro rata weekly basis.

Refunds to students having board contracts will be calculated, based upon the contract release date, by multiplying the number of weeks remaining by the pro rata weekly rate. A $20 service charge may be assessed when applicable.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A student who registers as a full-time undergraduate will receive no refund of the General Fee when courses are dropped (irrespective of the number of credit hours dropped) unless the student withdraws from the University. Hence, a student changing from full-time to part-time on or after the first day of classes receives no refund.

A student who registers as a part-time undergraduate student will be given an 80% refund of the credit hour fee for courses dropped during the first week of classes. No refund will be made for courses dropped thereafter.

A special refund schedule applies to full-time students who are called up as Reservists for military service.

A part-time or full-time undergraduate who drops MATH 001 will receive a percentage refund of the $75.00 fee in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes, and 0% thereafter. Math 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

A part-time or full-time undergraduate student who drops COOP 208, 209, or ENCO 408, 409 will receive a percentage refund of the fee paid in accordance with the sliding scale printed in the Schedule of Classes under "Deadlines for Graduate Students and Part-Time Undergraduates" which calls for a full 100% refund if the course is dropped prior to the first day of classes, an 80% refund if the course is dropped during the first five (5) days of classes and 0% thereafter.

Refunds MUST be requested in writing by the STUDENT. This can be done by: 1(addressing a letter to: Division of Business Services, University of Maryland, College Park, Md. 20742, or 2)completing a request for refund form available at the Student Counter, 1103 South Administration Building, and Withdrawal Office, Registrations Office and Student Aid Office, North Adminstration Building. NO CREDIT BALANCE IS AUTOMATICALLY REFUNDED. Approximately five to six weeks is required from the time a credit balance appears on the account and a refund request is received until a check is mailed from the State Treasurer's Office in Annapolis. THE CHECK WILL BE MADE PAYABLE TO THE STUDENT and mailed to the address requested by the student on the refund form. Refund checks cannot be mailed to a campus address.

ENROLLMENT CERTIFICATION AND VA PAYMENTS

1. *How to compute payments based on enrollment status*

Undergraduate student enrollment status is based on the number of credits for which the student is registered. Graduate student enrollment status is based on the number of units for which the student is registered. Courses taken as "AUDIT" cannot be counted toward credit for graduate or undergraduate students. Charges are the same for audit and for credit courses.

3. *Graduate Assistants*

Graduate students who are graduate assistants will be certified full time if their assistantship is confirmed in writing by Graduate School and they are taking 24 units. This must be done each semester. Please note . . . the Veterans Administration's definition of "full time" for Graduate Assistants differs from the University of Maryland definition and should be used only for VA purposes.

4. *Veterans Responsibility*

It is the responsibility of veterans and dependents receiving V.A. benefits to notify the University V.A. Certification Office of every change of course or program at the time the change is submitted to the University. This includes the following:

a. Drops, Adds or Section Changes
b. Credit Level or Grade Option Change
c. Change of Major or Division/College

REMISSION OF FEES FOR FACULTY AND STAFF

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Budget Office (Room 1133, Main Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Budget Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement and registration apply to University faculty and staff who wish to take courses.

Questions **regarding admissions? Contact Admissions Office, 454-5550.**

Questions regarding registrations? Contact Registrations Office, 454-5559.

Questions regarding employee remission of fees? Contact Budget Office, 454-3106.

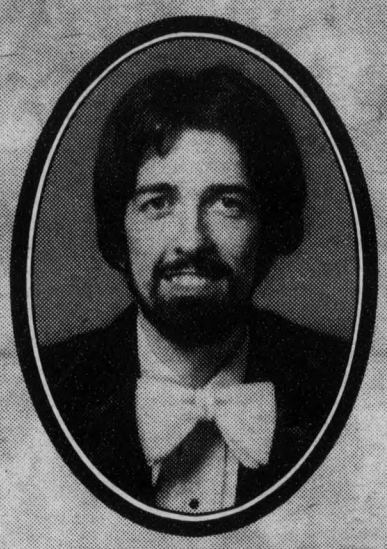
STUDENTS RECEIVING FINANCIAL ASSISTANCE

Students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University. Any student receiving financial aid who is contemplating dropping credits should see his/her financial aid counselor *before* taking such action.

Students sponsored by an agency or their employer remain responsible for their fees. When payment is not received by the University from the sponsor, the student will be charged.

Preregistered students' bills will be mailed. Students not preregistered will complete an estimated bill form at registration time. The following information may be helpful:

1. All University scholarships and grants (including BEOG and SEOG) will be credited to the bill as designated in the award letter. If not credited on preregistered bill, deduct scholarship or grant amount and pay the difference. BEOG, SEOG, and other refundable grant funds not needed to complete payment of the University bill will be available by check from the Division of Business Services.
2. Financial aid checks (NDSL, BEOG, SEOG) will be available in the Armory on August 21 and 22 for non-preregistered students only. Financial aid checks will be available in the Armory for all students (new registrants and preregistered students) on August 23, 24, and 25. After August 25, financial aid checks may be picked up in Room 1103 of the South Administration Building between 9:00 a.m. and 4:00 p.m., Monday through Friday. Checks should be picked up as soon as possible as all remaining checks will be cancelled and returned to the State Treasurer on September 29, 1978. Students must have their I.D.'s and proof of credits (preregistration card and/or add slips) in order to pick up their checks.
3. Other scholarships and grants paid to the University by an outside agency will be credited to the student's bill. (Exception — National Merit Scholarship checks will be available in Office of Student Financial Aid.)
4. Guaranteed Loan checks are distributed to students by the lending agency, except in those cases where the lending institution sends the check to the University directly. These checks are to be picked up at the Division of Business Services, Room 1103, South Administration Building.
5. Dining Hall cash jobs will be paid bi-weekly to student as work is performed.
6. Dining Hall Workships (and other University Workships) will be credited to bill as designated in award letter.
7. College Work Study and other University student employment will be paid to the student bi-weekly as work is performed.



"WITHOUT MY CLAVINET, DA DA DA DUM... MIGHT HAVE BEEN HO HUM."

Walter Murphy made the solid gold disco hit "A Fifth of Beethoven," which is also on the soundtrack of the smash movie "Saturday Night Fever."

"When I had the idea of turning the opening notes of Beethoven's Fifth Symphony (da da da dum) into a pop record, I knew it needed something special to make it happen. The Clavinet's unique sound really helped," says Walter. "Like many musicians, I'm hooked on the Clavinet. I used it extensively on my latest album, 'Phantom of the Opera'."

You can hear Hohner's Clavinet just about anywhere jazz, rock and disco are played. It is the affordable keyboard with a unique combination of sounds... like electric guitar, harp, spinet, harpsichord, even zither. How loud a sound you get depends on how hard you play, just like a piano. The Clavinet is completely portable. It weighs only 69 pounds. And it has 60 standard-size piano keys. The Hohner Clavinet, so unique you never sound ho hum.

WHEN YOU'RE LOOKING FOR THAT BIG BREAK, HOHNER CAN BE INSTRUMENTAL.

GUIDELINES TO ADMINISTRATION OF EXAMINATIONS AND TESTS ON RELIGIOUS HOLIDAYS

Examinations and tests: All examinations and tests shall be given during class hours in accordance with the regularly scheduled (or officially "arranged") time and place of each course listed in the Schedule of Classes and/or the Undergraduate Catalog. Unpublished changes in the scheduling or location of classes/tests must be approved by the department chairman and reported to the Provost. It is the responsibility of the student to be informed concerning the dates of announced quizzes, tests and examinations.

An instructor is not under obligation to give a student a make-up examination unless the absence was caused by illness, religious observance, or by participating in University activities at the request of University authorities.

A make-up examination, when permitted, must be given on Campus, unless the published schedule and course description require other arrangements. The make-up examination must be at a time and place mutually agreeable to the instructor and student, cover only the material for which the student was originally responsible, and be given within a time limit that retains currency of the material. The make-up must not interfere with the student's regularly scheduled classes. In the event that a group of students require the same make-up examination, one make-up time may be scheduled at the convenience of the instructor and the largest possible number of students involved. Under the same guidelines students shall have equal access to all information and drills missed due to the reasons listed.

VEHICLE REGISTRATION

All students (except as noted below) who plan to attend the University during the Fall 1978 semester (whether they preregister or not) are eligible to register their motor vehicle during the appropriate vehicle registration periods outlined below.

WHO?

All students who operate a motor vehicle on the campus at any time must register that motor vehicle with the Motor Vehicle Administration Office on campus. PLEASE NOTE . . . freshman and sophomore students who reside on campus may not operate or register a vehicle on campus without special permission.

WHEN?

ALL STUDENTS EXCEPT RESIDENT FRESHMEN AND SOPHOMORES:

During the period of July 1, 1978 through August 18, 1978, 9:00 a.m. to 3:30 p.m. Monday through Friday, Motor Vehicle Administration Office, Service Building, south wing.

— or —

Armory, August 21 and 22, 1978, 8:30 a.m. to 6:00 p.m., according to the alphabetic registration schedule.

— or —

Wednesday, August 23, 1978 and later, Motor Vehicle Administration Office, Service Building, south wing, 9:00 a.m. to 3:30 p.m., Monday through Friday.

HOW?

1. Bring current state registration card for each vehicle to be registered.
2. Pick up and complete University of Maryland application for Motor Vehicle Parking Permit form and receive bumper decals. Registration fee is $12.00 for first vehicle and $3.00 for each additional vehicle. Vehicle registration charges may be included on student bill during Armory registration ONLY. When vehicles are registered at any other time or place, cash payment is required at time vehicle is registered.

Questions regarding Motor Vehicle Registration should be referred to the Motor Vehicle Administration Office, 454-4242 or 4243. Special parking permits are available for handicapped students. Resident Freshmen and Sophomores who have off-campus jobs may be given special permission to register vehicles. Details are available at the Motor Vehicle Administration Office.

BICYCLES AND MOPEDS

Bicycles and mopeds should be parked in bicycle racks provided on campus. Maryland State laws prohibit the securing/parking a bicycle or moped in any manner which would obstruct or impede vehicular or pedestrian movement. Violators will be subject to having their bicycle/moped impounded.

SHUTTLE-UM

Minor changes and increased service will take place on both daytime and evening shuttle services for Fall 1978. New schedules will be available Monday, August 21, at the following locations:

Shuttle-UM trailer near Leonardtown
Office of Commuter Affairs
Student Union Information Desk
Shuttlebus at Armory Registration

UNOFFICIAL TRANSCRIPTS

During the year unofficial transcripts are not available unless required for on-campus advisement purposes for currently enrolled students. Division and College offices on campus have record information for purposes of changing Division/College, etc.

An unofficial transcript will be available with your preregistration materials each semester. This copy is for your personal use and serves as a way for you to check the accuracy of the record.

If you have need of record information for other purposes, please request an official transcript at the Registrations Office, North Administration Building. Offical transcripts are generally processed within a week and on occasion, the same day.

Request must be in writing. A transcript cannot be processed if an outstanding debt is owed to the University. Contact the Registrations Office if you have further questions.

CANDIDATES FOR DECEMBER 1978 GRADUATION

An application for graduation must be filed in the Registrations Office by September 13, 1978. Applications are available at the Registrations Office Counter, 1st Floor Lobby, North Administration Building, 9:00 a.m. to 4:00 p.m., Monday through Friday, and in all Provosts' and Deans' Offices, 8:30 a.m. to 4:30 p.m., Monday through Friday.

COMMENCEMENT HONORS

Honors for excellence in scholarship are awarded to not more than ten percent (10%) of the graduating class in each degree granting unit. Summa Cum Laude is offered to the highest two percent (2%), Magna Cum Laude to the next three percent (3%), and Cum Laude to the next five percent (5%). To be eligible for this recognition, a total of at least two years of residence (60 semester hours) is required. No student with an average less than 3.00 will be considered. (The computation of the average does not include grades for courses taken during the last semester of registration before graduation, although the hours earned for that semester will apply toward the 60-hour requirement.)

DIVISION/COLLEGE/MAJOR (COURSE OF STUDY) CHANGES

UNDERGRADUATE STUDENTS ONLY:

Division, College, and Major (Course of Study) changes may be made at any time, the only restrictions being Board of Regents limitations on enrollment.

If you wish to initiate a change in your Division, College, and/or Major (Course of Study):

1. Go to a Division/College office or the Registrations Office, first floor lobby, North Administration Building, to obtain the Division/College/Major (Course of Study) Change Form. Division/College office locations are listed below.
2. Complete the information requested on the form. (All necessary information is on the form.)
3. Take the completed form to your new Division if you are changing Divisions or to your new College if you are changing Colleges. If you are changing Major (Course of Study) only, take completed form to your present Division or College.

GRADUATE STUDENTS ONLY:

If you wish to change programs or degree objectives, you must submit a new application with fee to the Graduate School. Current deadlines for new applications apply.

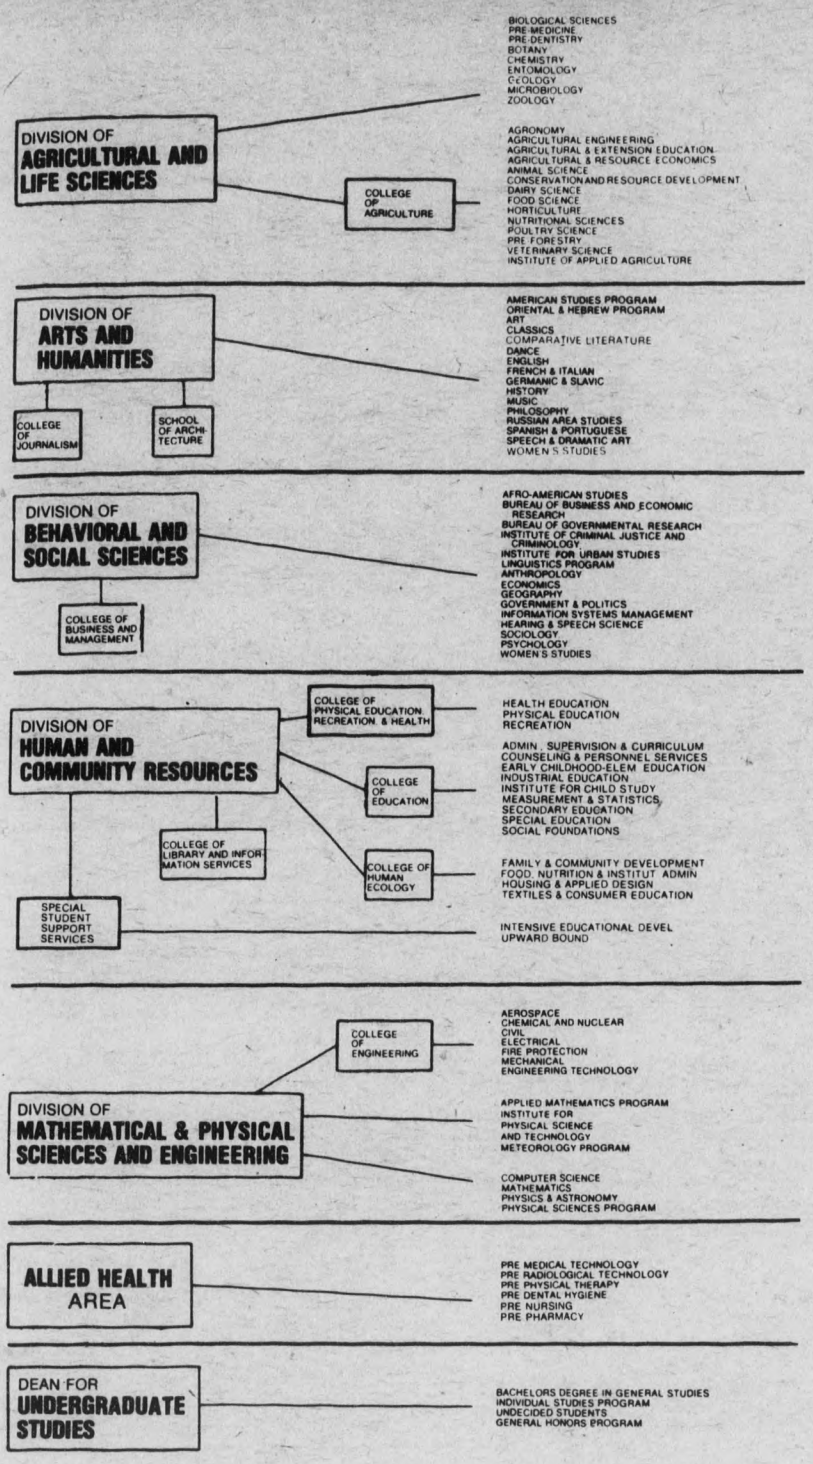
DIVISION INFORMATION

UNIVERSITY OF MARYLAND, COLLEGE PARK CAMPUS
ORGANIZATIONAL CHART AUGUST 1974



GENERAL UNIVERSITY REQUIREMENTS (G.U.R.)

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

I. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (see PASS-FAIL OPTION DEFINED).

Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.

Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences: Human and Community Resources.

Area C: 6-12 hours in the Division of Arts & Humanities.

In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.

II. New freshman students who entered the University during Summer Session, 1978, or who were admitted for Fall semester, 1978, must complete six credits of English composition. The specific required courses are ENGL 101 *and* ENGL 391 or 393. Exemptions based on SAT-VERBAL scores and ADVANCED PLACEMENT scores are allowed. Questions about exemptions for individual students should be referred to the English Department, extension 4160.

Only three credits of the required six credits in English Composition may be applied toward fulfilling General University Requirements. When used, these three credits may be *in addition to* the twelve-credit maximum in Area "C." None of the composition credits, however, may be used to satisfy the minimum six-credit requirement for Areas "A," "B," "C," *or* the nine-credit upper division requirement.

The English Department strongly advises entering freshmen to fulfill the first composition requirement during their first year of coursework. Since junior standing is a prerequisite for ENGL 391 and 393, students should register for the second semester of composition only after having earned fifty-six semester hours of credit.

To further define "area" this chart has been prepared by the Advisor's Workshop. On the chart is listed the prefix of all courses offered on the College Park campus. The prefixes are listed according to which area (A, B, or C) of the General University Requirements they will meet.

FOREIGN LANGUAGE PLACEMENT

ARTS AND HUMANITIES REQUIREMENTS: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign language in the division, although he may elect to do so.

However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

FRENCH DEPARTMENT: Students who have had at least two years or more of high school French are normally expected to enroll in French 104 (Intermediate French), but may (as the result of placement) take French 103 (Elementary French Review). Students with less than two years of high school French or with a five-year gap in their French studies may take French 101. Admission to French 102 is limited to those who have completed 101 at the University of Maryland, College Park. A student who has taken French 101 or French 103 on the College Park campus or their equivalent on any other campus *may not* take French 121 (Accelerated French I) for credit. "Audit," however, is permitted. Any student who has taken French 104 on the College Park campus, or its equivalent on any other campus, *may not* take French 122 (Accelerated French II) for credit. Again, the option of "Audit" remains open. A departmental placement exam will be given to *all* students registering *for the first time* on this campus for French language courses in the basic and intermediate sequence (100 level and 201 and 211). The examination will be administered in the language laboratory of the Language Media Center during the week prior to preregistration, during preregistration week and during registration week from 8 a.m. to 3 p.m. The exam may be taken during those times at the student's convenience. Students must take this examination before registering so that they may be placed at the proper course level. Results will be posted in the Department of French and Italian. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain of their ability to take Spanish 104, or (2) they wish to be exempted from Spanish 104.

Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Spanish 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 104.

Students who feel uncertain of their ability to take Spanish 104 may choose to take Spanish 103 (a one semester review course) without taking the University Placement exam.

Spanish students placing in 103 must complete 104 to satisfy the divisional language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.

GERMAN AND SPANISH PLACEMENT EXAM SCHEDULE

During the Fall semester there will be placement testing in Room 0106, Shoemaker Building. To be admitted for testing, students must have a picture I.D. Call R. Williams, x2931, for appointment.

Testing during Fall Registration is scheduled for Tuesday, August 22 and Thursday, August 24, 1978 at 3:30 p.m. in Room 0106, Shoemaker Building. Bring a picture I.D. in order to be admitted.

A GUIDE TO THE RETENTION PLAN

The material printed below is meant to illustrate graphically certain provisions of the academic RETENTION PLAN. It can serve, for both new and experienced students, as a guide for schedule planning and schedule change. It is *not* meant as a substitute for a thorough reading of "Requirements for Retention and Graduation," as found elsewhere in this Schedule or in the Undergraduate Catalog. This material was prepared by Dr. Joseph F. Metz, Jr., Assistant Dean for Undergraduate Studies, and the staff of the Undergraduate Advisement Center.

TABLE I

The College Park Retention Plan is based on (1) QUALITY POINTS *and* (2) CUMULATIVE AVERAGE. Here's how to compute both.

(1) QUALITY POINTS (Q.P.'s): For each semester, Q.P.'s are awarded for grades of A, B, C, D, P, and S. To figure how many Q.P.'s you have earned, or expect to earn, for each of your courses, do the following:

Q.P.'s given for expected or Actual Grade			Number of Credits in The Course		Total Quality Points for the Course
	A= 4 B= 3 C= 2 P= 2* S= 2* D= 1 F= 0	×		=	

EXAMPLE: Semester Schedule of 15 Credits —

Course	*Grades*	*Credits Earned*	*Q.P.'s*
ENGL 101	C	3	6
MATH 110	B	3	9
ZOOL 101	A	4	16
EDIN 101	P*	2*	4*
PSYC 100	D	3	3
		15	38

*These count only in figuring your Q.P.'s for the semester. They are not counted in your cumulative average.

(2) CUMULATIVE AVERAGE: Your cumulative average is based on TOTAL CREDITS ATTEMPTED — Any course you've ever taken at any of the University campuses for which you've been assigned a Grade of A, B, C, D, or F — and the TOTAL NUMBER OF QUALITY POINTS you've earned for these courses. (See Note below for Repeated Courses). Courses for which a Grade of "P" or "S" has been assigned are NOT included. To figure your cumulative average do the following:

NUMBER OF Q.P.'s EARNED	÷	NUMBER OF CREDITS ATTEMPTED	=	CUMULATIVE AVERAGE

EXAMPLE: Semester Schedule of 15 Credits (See Example Above)

Course	*Grades*	*Credits Attempted*	*Q.P.'s*	*Cumulative Average*
ENGL 101	C	3	6	
MATH 110	B	3	9	
ZOOL 101	A	4	16	Q.P.'s Earned — 118
EDIN 101	P	(2)	(4)	÷
PSYC 100	D	3	3	Credits Attempted — 40
Current Semester Totals		13	34	=
Previous Semester Totals		27	84	2.95
Total Credits		40	118	

NOTE: If you repeat a course that you took in the Fall Semester, 1973, or any semester since then, count only credits and quality points for the higher grade received for that course when figuring total credits attempted and total quality points.

TABLE II

MINIMUM QUALITY POINT REQUIREMENT:
If, at the end of Schedule Adjustment Period (First 10 days of classes) You are officially registered for:

12 or more credits	11-9 credits	8-1 credits
You must earn for this semester a minimum of:		
24 Quality Points (On grades of A, B, C, D, P, and S. Marks of F, W, and I do not confer Quality Points)	22 Q.P.'s for 11 credits 20 Q.P.'s for 10 credits	For part-time students there is no minimum quality point requirement.
Note: See Table III, below for exceptions	18 Q.P.'s for 9 credits	Note: If you have completed 45 credits, you must fulfill the cumulative average requirement, below.

CUMULATIVE AVERAGE REQUIREMENT:

If at the end of last semester, your total number of credits completed was 45* or more, then at the end of this semester you must have:

The Minimum Quality Point Requirement (Full-time Students — 9 or more credits)	*and*	A Cumulative Grade Point Average of 1.95 (Full-time *and* Part-time Students)

+On your grade report for last semester, add "hrs. attempt." *and* "transfer credit level" and pass-fail courses to see if you have 45 or more.

Credits completed with grades of A, B, C, D, and F, but not S, W, P, or I will be used in the computation of the cumulative average.

If these requirements are not met, Academic Probation will result. Two consecutive or four non-consecutive semesters of Academic Probation will result in Academic Dismissal.

TABLE III

Are you registering at the College Park Campus for the *First Time*? If so, then here's what you need to earn in your first semester for the Retention Plan:

A. FULL-TIME FRESHMAN[2] with no more than 8 credits earned through prior college/university attendance —	B. FULL-TIME TRANSFER[3] STUDENT with 44 or fewer credits accepted for transfer —	C. FULL-TIME TRANSFER[3] STUDENT with 45 or more credits accepted for transfer —
18 Q.P.'s	18 Q.P.'s	1.95 Cumulative Average

NOTE: To meet this requirement, students registering for 12 or more credits would have to earn at least 24 Q.P.'s. Students registering for 9 credits would have to earn 18 Q.P.'s; 10 credits — 20 Q.P.'s; 11 credits — 22 Q.P.'s.

[2](i.e., students registered for 9 or more semester hours)

[3]"Full-time Transfer Student" includes students transferring from other University of Maryland campuses. Grade Point Averages, Semester Hours Attempted, Semester Hours Earned, and Quality Points from the other campus(es) are included in all College Park calculations.

GENERAL ACADEMIC INFORMATION

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

REQUIREMENTS FOR RETENTION AND GRADUATION

1. A minimum of 120 credits of successfully completed (not I, F, or W) course credits are required for graduation in any degree curriculum. Credits transferred, or earned during prior admissions terminating in academic dismissal or withdrawal and followed by readmission, will be applicable toward meeting credit requirements for a degree.
2. A full-time student will be placed on academic probation at the end of any semester in which he does not achieve a total of 24 quality points for that semester. An exception to this rule will be made for full-time students registered for less than 12 credits at the end of the Schedule Adjustment Period (the close of the 10th day of classes) who will be required to earn: 18 quality points if registered for 9 credits, 20 quality points if registered for 10 credits; and 22 quality points if registered for 11 credits. Exceptions are also allowed for all full-time students in their first semester of registration on the College Park Campus, who must earn at least 18 quality points for that semester. This exception does not apply to students who have earned more than 8 credits through previous registration in the University.
3. Any student, full- or part-time, who fails to maintain a minimum *cumulative* average of 1.95 at the end of any semester following that in which the total of credits completed at the College Park Campus (with grades of A, B, C, D, P, S, or F), plus any credits transferred, is 45 credits, will be placed on academic probation. Credits completed with grades of A, B, C, D, and F, but not S, P, or I will be used in the computation of the cumulative average.
4. A student who does not meet the academic standards for any given semester will be placed on probation and must display acceptable performance in quality points and cumulative average (if applicable) during the next semester in order to regain good academic standing. A student who has not previously been dismissed will be dismissed at the end of the second consecutive, or fourth non-consecutive semester of unacceptable performance. Courses for which the mark "W" is recorded are excluded from computations of quality point and cumulative average totals at the end of the semester. However, such courses remain in computation of the minimum quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
5. A student who has been academically dismissed and who is reinstated, will be academically dismissed again if he does not meet the academic standards for any two additional semesters after his return. In the computation of his cumulative average after return, all credits attempted at the University of Maryland will be used.
6. When a student is placed on academic probation or is academically dismissed, the action shall be entered on the student's official and permanent record.
7. Any course may be repeated, but if a student repeats a course in which he has already earned a mark of A, B, C, D, P or S, the subsequent attempt shall not increase the total hours earned toward the degree. Only the higher mark will be used in computation of the student's cumulative average. However, the student's quality points in a given semester shall be determined by that semester's grades.
8. Any appeal from the regulations governing academic probation or academic dismissal shall be directed to the Petition Board, which shall be empowered to grant relief in unusual cases, if the circumstances warrant such action.

MARKING SYSTEM

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W (Instructors are not permitted to change a grade of "W".) These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Officer, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computations of cumulative or semester averages a mark of B will be assigned a value of 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computation of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option). The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computation of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor. It is the student's responsibility to request arrangements for completion of the work. An "Incomplete Contract" should be drawn up between student and instructor outlining these arrangements. A copy of this is to be filed in the Department Office. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the student to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination". In any event this mark shall not be used in any computations.
10. The *mark W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

CREDIT BY EXAMINATION FOR UNDERGRADUATE STUDENTS

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or prepared by the department granting the credit. When standardized CLEP (College Level Examination Program) examinations are available and University of Maryland approved, they may be used.
2. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3151, Undergraduate Library), paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
3. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
4. Application for credit by examination is equivalent to registration for a course; however, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
5. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. The quality points earned on credit by exam are not counted in the current semester's quality point total. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
6. Undergraduate students may earn by examination no more than half the credits required for the degree.
7. Fees for Credit by Examination.
   A. Fees for CLEP (College Level Examination Program) and other standardized examinations.
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit.
      (1) All undergraduate students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.

PASS-FAIL OPTION DEFINED UNDERGRADUATE

1. An undergraduate who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the College Park campus credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record. In computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

NOTE: Changes of grading option (e.g., Regular to PASS-FAIL) may be processed only during the first ten days of classes.

GRADUATE — Not eligible for the PASS-FAIL grading option.

To relate a course to the General University Requirement areas, see the chart on page 15, General University Requirements (G.U.R.)

The University reserves the right to change, eliminate, or modify course offerings when, in the judgments of University authorities, circumstances make such action necessary.

The information outlined in this publication applies only to registration in the regular day programs of the College Park Campus of the University of Maryland.

ADVISEMENT INFORMATION

INTRODUCTORY STATEMENT

UNDERGRADUATE — With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to become familiar with the degree requirements indicated in the Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the Undergraduate Advisement Center, Room 3151, Undergraduate Library, or call x3040 or x2733.

Advisement is required for all first semester freshmen and transfer students.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

CREDIT LIMITS DEFINED

UNDERGRADUATE – limited to 19 sem. hrs.

Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration Materials.

GRADUATE — limited to 15 sem. hrs.

GRADUATE STUDENTS with a Teaching or Research Assistantship — limited to 10 sem. hrs.

FULL-TIME STATUS DEFINED

Effective August 1973, official status (either full-time or part-time) for academic purposes will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE – Full-time – Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 14 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS with Teaching or Research Assistantship — Full-time — Registered for minimum of 24 graduate *units* at end of the Schedule Adjustment Period.

TABLE FOR COMPUTING GRADUATE UNITS

COURSE NUMBER	GRADUATE UNIT
000-399	2 units per credit hr.
400-499	4 units per credit hr.
500-599	5 units per credit hr.
600-898	6 units per credit hr.
799	12 units per credit hr.
899	18 units per credit hr.

COURSE NUMBERING SYSTEM DEFINED

UNDERGRADUATE – eligible to register for courses numbered 000-499. Freshmen and sophomores may not take 300-499 numbered courses. Any exceptions require special permission from the Dean or Provost.

GRADUATE — eligible to register for courses numbered 400-899.

COURSE NUMBERING SYSTEM

400-499	Junior, senior course acceptable for credit toward some graduate degrees.
500-599	Professional School course (Dentistry, Architecture, Law, Medicine) or post-baccalaureate course.
600-899	Course restricted to graduate students
799	Masters Thesis credit
899	Doctoral dissertation credit
	Courses with last digit of 8 or 9 can be repeated for additional credit

UNDERGRADUATE STUDENT CLASSIFICATIONS DEFINED

Sophomore	28-55 semester hours
Junior	56-85 semester hours
Senior	86 to at least 120 semester hours

ZERO-LEVEL COURSES

BTPT 001	FOLA 001	FOLA 002
GERM 001	MATH 001*	RUSS 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

*Math 001 fees are also discussed under "Fees and Expenses."

WHAT'S NEW AND INTERESTING

DISTINGUISHED PROFESSOR COURSES

The Campus this year has initiated the *Distinguished Professor Program* whereby five outstanding teacher-scholars will offer a series of special courses with an interdisciplinary emphasis. Each of the Distinguished Professors will offer one course open to undergraduate students regardless of major. For the *fall semester*, the courses and their instructors will be:

Prof. Laura Dittman, Institute for Child Study
DHCR 288 — SOCIAL POLICY AND CHILDREN (3). TuTh 12:30-1:45. Examines the impact of legislation and social policy which impinges upon child abuse and neglect, delinquency, the handicapped, non-traditional family units, unwed teenage mothers, etc.

Prof. Joseph Oppenheimer, Department of Government and Politics
GVPT 479B — PROBLEMS OF AMERICAN PUBLIC POLICY: THE AMERICAN WELFARE STATE (Juniors and Seniors only) (3). TuTh 9:30-10:45.The aims of this course are to foster critical thinking about the relationship between our democratic procedures and the substantive content of our welfare programs, broadly construed (i.e. to include medical, social insurance, tax and other programs), and also to give students a chance to do meaningful research. We will deal with such questions as: 1) what is equity for our citizenry?; 2) what does it take to get "equitable" policy from a democratic process?; 3) what are the coalitional, sociological and economic factors behind the current welfare programs?

Prof. Cyril Ponnamperuma, Department of Chemistry
CHEM 107 — CHEMISTRY AND MAN (3). TuTh. 9:30-10:45. Lecture course intended for non-chemistry majors. The impact of chemistry on Man. The chemistry of the universe around us, of life, of the body, of the mind, of food and drugs, of consumer goods, and of everyday living. Basic knowledge of chemistry helpful to the intelligent citizen of today.

These professors represent the best instruction offered at College Park. In view of the general interest of these courses, the instructors will welcome to the classroom any member of the Campus community who wishes to attend some or all of the lectures. No advance arrangements are necessary.

EXPERIENTIAL LEARNING PROGRAMS

Room 0119, Undergraduate Library Building, 454-4767

WHAT IS FIELD EXPERIENCE?

Field experience is one of the University of Maryland's most exciting learning opportunities. In our society, practical work experience is invaluable for entry and advancement in a career. Experiential Learning Programs (ELP) offers three major programs and directs students toward a number of additional options, all designed to give them first-hand experience within their areas of major concentration or interest:

VOLUNTEER SERVICE/LEARNING

We maintain a computer file of field opportunities in over 650 agencies which have expressed interest in working with University students. Using this "library" of contacts, students arrange agency placements relating to their interests — academic or otherwise. Volunteer experiences are introductory in that students can begin their first career-related position free from the complications of arranging credit or pay. They are advanced in that the placement is undertaken for no "rewards" except those of the experience gained.

PEOPLE ACTIVE IN COMMUNITY EFFORTS (PACE)

People Active in Community Efforts is a student-operated program which helps students obtain volunteer experience in community organizations. Contact PACE, Room 1101 Student Union, 454-4275.

FIELD EXPERIENCE COURSES

Sometimes a professor will see a widespread need for field experience education in his academic discipline; or he may have professional connections with an agency willing to work with a number of students at a time. In such cases, his academic department faculty offers a field experience *course*. Just as with individual internships there are two parts to such courses:

(1) Work experience (generally volunteer) in business, industry, government, or social service agencies;
(2) Faculty supervision/consultation.

Check with ELP for an updated list of field experience courses being offered through many departments on campus.

INTERNSHIPS

An internship is a work experience granted academic credit by a University of Maryland faculty member. As in the volunteer program, students search through our agency computer files for contact information about placement opportunities relating to their interests. Using this data:

(1) They contact agencies and arrange for part-time work placement.
(2) They then negotiate with a University faculty member to obtain academic credit recognition of the educational value of the proposed experience. Usually the professor will want the student to produce some project connecting the student's work with the professor's academic discipline (e.g., a paper, a journal).
(3) After all details have been worked out, professor and student draw up an informal contract to ensure that both parties know where they stand.

COOPERATIVE EDUCATION

Cooperative Education is our most intensive form of learning by experience. Students alternate two semesters of full-time, fully paid work in business, industrial or government agencies with a semester of full-time study. What have they acquired at the end of this work-study-work sequence?

— They have gained experience in their chosen field which will do a great deal to introduce them into the job market.
— They have defrayed a good portion of their educational expenses with money earned.

INFORMATION SYSTEMS MANAGEMENT

Effective January, 1978, the Department's undergraduate requirements were revised. The 1978-79 Undergraduate Catalog contains the updated requirements; however, copies are available at the IFSM Departmental Office, 0127 Tydings.

IFSM 401A — Section 1201 of ELECTRONIC DATA PROCESSING (3). This special section of the course will be taught at an accelerated pace. It is primarily intended for students who have experience in computing but wish to take a course including COBOL and business data processing concepts without introductory material. Students of Computer Science and others with prior experience should therefore register for this section or take IFSM 202.

IFSM 498A — SPECIAL TOPICS IN INFORMATION SYSTEMS: HUMAN FACTORS IN COMPUTER AND INFORMATION SYSTEMS (3). Prerequisites are one of the following 4 courses: IFSM 202, IFSM 401, CMSC 110, CMSC 120 *and* a psychology course or an advanced IFSM or CMSC course, or permission of instructor. A survey of human factors research and psychological issues in the design of computer based systems. Human information processing and cognitive psychology will be discussed in the context of computer programming, natural language interaction, database query facilities, and interactive man-machine dialogues. An experimental project will be required.

IFSM 498B — SPECIAL TOPICS IN INFORMATION SYSTEMS: PROGRAMMING LANGUAGES FOR COMMERCIAL APPLICATIONS (3). Prerequisites: IFSM 401 or 202 or knowledge of COBOL. Will survey commercial programming languages, and focus on: language selection for a specific environment, programming style, design, documentation and useful algorithms. Includes BASIC, PL/I and APL study and programming assignments.

IFSM 788B — SEMINAR IN INFORMATION SYSTEMS TECHNOLOGY: TELEPROCESSING NETWORK ANALYSIS AND DESIGN (3). The analysis and design of national and international computer network systems involves a number of technical issues, but is constrained by a larger number of economic and regulatory issues. Technical topics include characteristics of communication channels and signals, analysis and design of network structures, function of control procedures and protocols, communication hardware and software. The nontechnical issues involve governmental and international regulations, taxation, rates, and other legal and economic issues. The emphasis of this course will be on the effect of restrictions and developing technology on the probable future development of communication and network systems. Students should have some background in statistics, probability theory, and random processes (on queueing theory), as well as computer systems architecture.

COLLEGE OF LIBRARY AND INFORMATION SERVICES

LBSC 499F — SEMINAR IN THE PUBLIC LIBRARY (Fitzgibbons). An overview and discussion of the public library today — its users, services, governance and finance, relationships with other libraries and agencies, and with an emphasis on current trends and problems.

DEPARTMENT OF PHILOSOPHY

A variety of philosophy courses are still open at every level. Some of these focus on other disciplines, and will appeal to students of literature, the arts, history, religion, law, government, economics, and the sciences. Some, including a new course called "Analytical Reading," are concerned with clear thinking. And some are just plain philosophy courses: challenging, stimulating, baffling, and fun. A philosophy handbook and supplement for the Fall semester, containing detailed descriptions of all scheduled philosophy courses, can be picked up in the Department office, room 1131 of the Skinner Building.

The following courses have been added since the first edition:

PHIL 308B — PHILOSOPHICAL ASPECTS OF FEMINISM. Dr. Atherton.

PHIL 328A — THE PHILOSOPHY OF JOHN LOCKE. Dr. Atherton.

PHIL 458 — PHILOSOPHICAL FOUNDATIONS OF THERMODYNAMICS, WITH EMPHASIS ON THE CONCEPT OF TEMPERATURE. Dr. Ehrlich.

PHIL 808 — PROBLEMS OF EXPLANATION. Dr. Schwartz.

STUDY ABROAD PROGRAMS

Study Abroad Office, International Education Services, Room 2115,
North Administration Building, 454-3043

Does a year, semester, or summer studying abroad sound intriguing? The Study Abroad Advisers encourage you to explore some of the possibilities. Programs exist in Europe, Africa, Asia, and South America. There are opportunities in most majors. Working abroad is another option. The Study Abroad office also has travel and flight information and sells the very useful International Student Identity card.

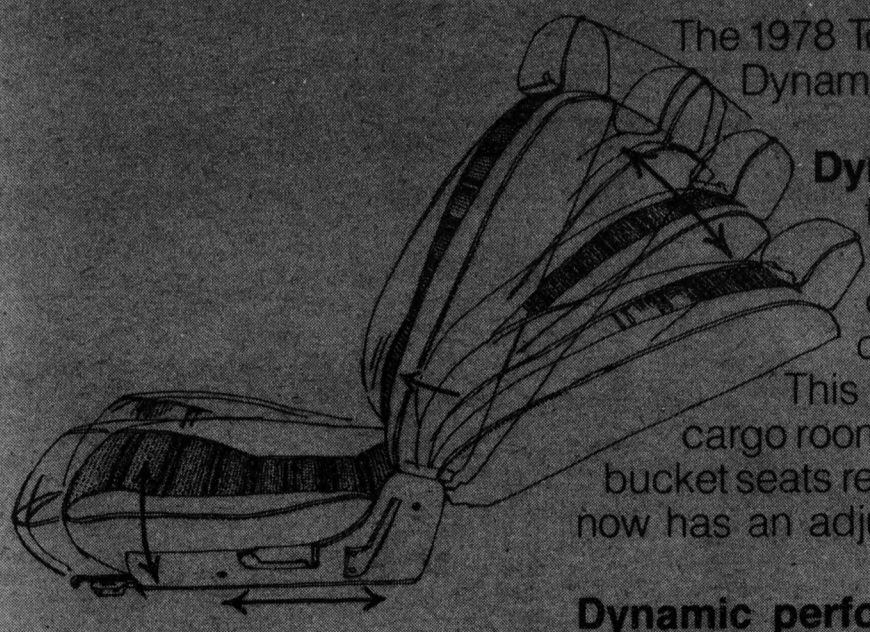
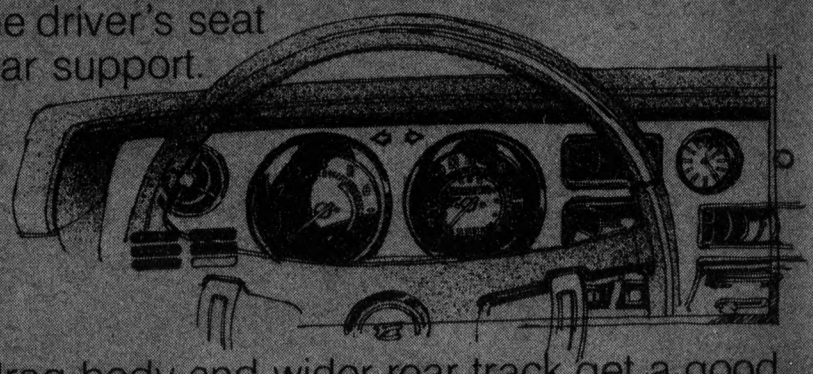
AERODYNAMIC

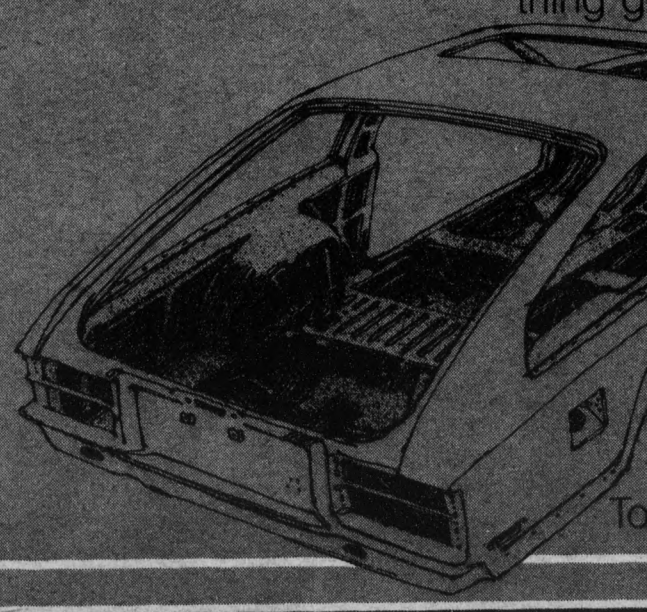
The 1978 Toyota Celica GT Liftback. Aerodynamic efficiency. Dynamic performance. Aerodynamic...one word says it all.



Dynamic styling. As exciting as the European exoticars that inspired it. Beautiful. Wind cheating. And practical. Toyota engineers utilized design innovations like compound-curve side glass to carve out a passenger compartment even big people can be comfortable in. This year's Celica has more front seat shoulder room, more cargo room—even a roomy rear seat. Speaking of comfort, the front bucket seats recline. And the driver's seat now has an adjustable lumbar support.



Dynamic performer. Steel belted radial ply tires, MacPherson strut front suspension, and full instrumentation have always been a good place to start. The new low-drag body and wider rear track get a good thing going even better. No wonder the dependable 2.2 liter overhead cam engine and 5-speed overdrive transmission move the car so well.



Dynamic durability. Something Toyota thinks GT cars could use a little more of. It's why our welded unitized bodies help fight rust with galvanized rocker panels and plastic inner fender liners. It's also the reason the hemi-head engine's crankshaft turns on five main bearings. The dynamic 1978 Toyota Celica GT Liftback. Better built from starter to finish. That's why we say, "If you can find a better built small car than a Toyota...buy it!"

YOU GOT IT.

MARANTZ SLAYS FOUL SOUND

Foul sound—that's what you hear when a receiver can't provide all the power your loudspeakers need. But Marantz True Power Design receivers slay foul sound by giving your loudspeakers the power they need... *at both 4 ohms and 8 ohms.*

That's important. Because loudspeakers rated at 8 ohms frequently present only 6 ohms impedance. If you connect two pair of speakers the impedance drops in half and the speakers demand more power than the 8 ohm rating can deliver.

Marantz True Power Design receivers can deliver that extra power—at least 25% more power into 4 ohms than at 8 ohms. By giving your loudspeakers that extra power... Marantz delivers the truest sound you've ever heard. Marantz True Power receivers may cost a little more—but they're worth it.

We sound better.

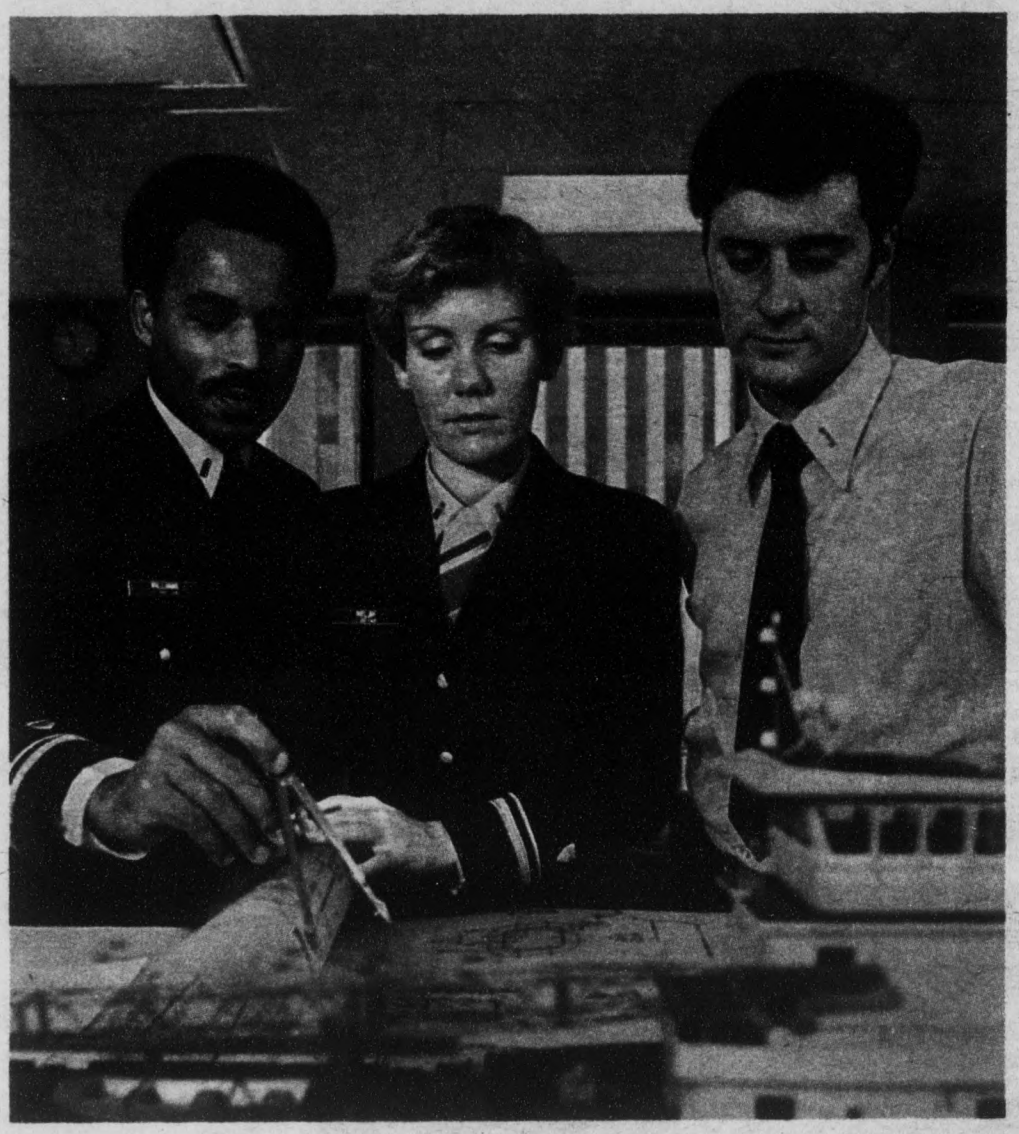
Small organization has openings for young executives. Good pay, good future, job satisfaction.



We're the Coast Guard.

We may be small (about 37,000 strong) but our jobs are some of the most important ones in the country.

As you probably know, we're in the business of saving lives and property.

But we're also charged with protecting our coastlines, our Great Lakes, our waterways. Regulating the new 200-mile fishery conservation zone. Intercepting narcotics trafficking. Monitoring the vessels that come and go at all of our major ports.

Big jobs. Requiring top people.

That's why we need good, qualified, ambitious men and women.

Put your Bachelor's Degree to work.

We're especially interested if you have a technical degree—in engineering, science, mathematics, or computers. We've got the work that takes your special talents and skills.

Once you finish officer's candidate school—18 weeks in Yorktown, Virginia—we'll give you a job with responsibility. You work with the most advanced equipment and technology known. It's good work, good surroundings, with men and women of your talent and abilities.

The benefits. And the rewards.

A starting salary of over $10,000 that can increase by over 40% in your first three years with normal promotion and seniority raises.

Free medical and dental care. A quarters allowance.

Tuition assistance for off-duty education.

Thirty days of paid vacation a year.

And a generous retirement plan for those who make the Coast Guard a career.

Plus the reward of performing in an organization that is considered the very best in the nation.

How to apply.

See your college placement office, or call 800-424-8883 toll free for more information.

The Coast Guard needs officers. What other company will make you an officer and give you a job fitting your title after 18 weeks?

SELF-INSTRUCTIONAL LANGUAGE PROGRAM

THE FOLA 158 SERIES IS AN INNOVATION IN OUR COURSE OFFERINGS SUPPORTED IN PART BY A PILOT GRANT FROM THE NATIONAL ENDOWMENT FOR THE HUMANITIES. THE PROGRAM IS ESSENTIALLY SELF-INSTRUCTIONAL. THE STUDENT SUPPLIES A BLANK TAPE AND, IN RETURN, RECEIVES A RECORDED TAPE WITH THE WEEKS LESSONS. THERE IS ALSO A MANUAL DESIGNED FOR SELF-INSTRUCTION WHICH THE STUDENT IS REQUIRED TO PURCHASE. A NATIVE-SPEAKING MONITOR WILL BE ASSIGNED TO DRILL THE STUDENT IN THE MATERIAL LEARNED FROM THE TAPE AND THE ACCOMPANYING MANUAL. EVERY EFFORT WILL BE MADE TO ARRANGE DRILL SESSIONS AT TIMES MOST SUITABLE TO ALL PARTICIPANTS IN THE PROGRAM.

THERE WILL BE ONE FINAL EXAMINATION ADMINISTERED BY A QUALIFIED EXAMINER APPOINTED BY THE DIRECTOR . THE ENTIRE SEMESTERS GRADE WILL DERIVE FROM THIS EXAMINATION.

ENROLLMENT IN THE PROGRAM IS STRICTLY LIMITED AND IS BY PERMISSION OF THE DIRECTOR FOLLOWING A PERSONAL INTERVIEW AND APTITUDE TEST. FOR FURTHER DETAILS AND TO SCHEDULE APPOINTMENTS FOR INTERVIEW, PLEASE CONTACT PROFESSOR MACBAIN (LL 3122, EXT. 43(3)). STUDENTS INTERESTED IN SELF-INSTRUCTIONAL COURSES IN LANGUAGES OTHER THAN THOSE LISTED BELOW SHOULD MAKE THEIR REQUESTS KNOWN AS SOON AS POSSIBLE, SINCE IT MAY BE POSSIBLE TO ACCOMODATE THEM NOW OR IN IN THE NEAR FUTURE.

UNIVERSITY POLICY ON DISCLOSURE OF STUDENT RECORDS (BUCKLEY AMENDMENT)

The University of Maryland adheres to a policy of compliance with the Family Educational Rights and Privacy Act (Buckley Amendment). As such, it is the policy of the University (1) to permit students to inspect their education records, (2) to limit disclosure to others of personally identifiable information from education records without students' prior written consent, and (3) to provide students the opportunity to seek correction of their education records where appropriate.

I. Definitions
- A. "Student" means an individual who is or who has been in attendance at the University of Maryland. It does not include any applicant for admission to the University who does not matriculate, even if he or she previously attended the University. (Please note, however, that such an applicant would be considered a "student" with respect to his or her records relating to that previous attendance.)
- B. "Education records" include those records which contain information directly related to a student and which are maintained as official working files by the University. The following are *not* education records:
  - (1) records about students made by professors and administrators for their own use and not shown to others;
  - (2) campus police records maintained solely for law enforcement purposes and kept separate from the education records described above;
  - (3) employment records, except where a currently enrolled student is employed as a result of his or her status as a student;
  - (4) records of a physician, psychologist, or other recognized professional or paraprofessional made or used only for treatment purposes and available only to persons providing treatment. However, these records may be reviewed by an appropriate professional of the student's choice;
  - (5) records which contain only information relating to a person's activities after that person is no longer a student at the University.

II. It is the policy of the University of Maryland to permit students to inspect their education records.
- A. *Right of Access*
  Each student has a right of access to his or her education records, except confidential letters of recommendation received prior to January 1, 1975, and financial records of the student's parents.
- B. *Waiver*
  A student may, by a signed writing, waive his or her right of access to confidential recommendations in three areas: admission to any educational institution, job placement, and receipt of honors and awards. The University will not require such waivers as a condition for admission or receipt of any service or benefit normally provided to students. If the student chooses to waive his or her right of access, he or she will be notified, upon written request, of the names of all persons making confidential recommendations. Such recommendations will be used only for the purpose for which they were specifically intended. A waiver may be revoked in writing at any time, and the revocation will apply to all subsequent recommendations, but not to recommendations received while the waiver was in effect.
- C. *Types and Locations of Education Records, Titles of Records Custodians*
  Please note that all requests for access to records should be routed through the Registrations Office (see II.D below).
  - (1) *Admissions*
    Applications and transcripts from institutions previously attended.
    a. Undergraduate — North Administration, Director of Undergraduate Admissions
    b. Graduate — South Administration, Director of Graduate Records
  - (2) *Registrations*
    All on-going academic and biographical records.
    a. Graduate and Undergraduate — North Administration, Director of Registrations
  - (3) *Departments*
    Departmental offices — Chairmen. (Check first with the Director of Registrations.) (Miscellaneous records kept vary with the department.)
  - (4) *Deans and Provosts*
    Deans and Provosts offices of each school. Miscellaneous records.
  - (5) *Resident Life*
    North Administration — Director of Resident Life. Students' housing records.
  - (6) *Advisors*
    a. Pre-Law Advisor: Undergraduate Library
    b. Pre-Dental Advisor: Turner Laboratory
    c. Pre-Medical Advisor: Turner Laboratory
    Letters of evaluation, personal information sheet, transcript, test scores (if student permits).
  - (7) *Judicial Affairs*
    North Administration Building — Director of Judicial Affairs. Students' judicial and disciplinary records.
  - (8) *Counseling Center*
    Shoemaker Hall — Director. Biographical data, summaries of conversations with students, test results. (Where records are made and used only for treatment purposes, they are not education records and are not subject to this policy.)
  - (9) *Financial Aid*
    a. Undergraduate — North Administration, Director of Financial Aid.
    b. Graduate and Professional schools — located Deans' offices — financial aid applications, needs analysis statements, awards made (no student access to parents' confidential statements).
  - (10) *Career Development Center*
    Terrapin Hall, Director. Recommendations, copies of academic records (unofficial). (Note WAIVER section.)
  - (11) *Business Services*
    South Administration Building, Director. All student accounts receivable, records of students' financial charges, and credits with the University.
- D. *Procedure to be Followed*
  Requests for access should be made in writing to the Office of Registrations. The University will comply with a request for access within a reasonable time, at least within 45 days. In the usual case, arrangements will be made for the student to read his or her records in the presence of a staff member. If facilities permit, a student may ordinarily obtain copies of his or her records by paying reproduction costs. The fee for copies is $ .25 per page. No campus will provide copies of any transcripts in the student's records other than the student's current University transcript from that campus. Official University transcripts (with University seal) will be provided at a higher charge.

III. It is the policy of the University of Maryland to limit disclosure of personally identifiable information from education records unless it has the student's prior written consent, subject to the following limitations and exclusions.
- A. *Directory Information*
  - (1) The following categories of information have been designated directory information:
    a. Name;
    b. Address;
    c. Telephone listing;
    d. Date and place of birth;
    e. Photograph;
    f. Major field of study;
    g. Participation in officially recognized activities and sports;
    h. Weight and height of members of athletic teams;
    i. Dates of attendance;
    j. Degrees and awards received;
    k. Most recent previous educational institution attended.
  - (2) This information will be disclosed even in the absence of consent unless the student files written notice informing the University not to disclose any or all of the categories within three weeks of the first day of the semester in which the student begins each school year. This notice must be filed annually within the above allotted time to avoid automatic disclosure of directory information. The notice should be filed with the campus registrations office. See II.C.
  - (3) The University will give annual public notice to students of the categories of information designated as directory information.
  - (4) Directory information may appear in public documents and otherwise be disclosed without student consent unless the student objects as provided above.
- B. *Prior Consent Not Required*
  Prior consent will not be required for disclosure of education records to the following parties:
  - (1) School officials of the University of Maryland who have been determined to have legitimate educational interests:
    a. "School officials" include instructional or administrative personnel who are or may be in a position to use the information in furtherance of a legitimate educational objectve;
    b. "Legitimate educational interests" include those interests directly related to the academic environment.

  - (3) Authorized representatives of the Comptroller General of the U.S., the Secretary of HEW, the Commissioner of the Office of Education, the Director of the National Institute of Education, the Administrator of the Veterans' Administration, the Assistant Secretary of HEW for Education, and State educational authorities, but only in connection with the audit or evaluation of federally supported education programs, or in connection with the enforcement of or compliance with federal legal requirements relating to these programs. Subject to controlling federal law or prior consent, these officials will protect information received so as not to permit personal identification of students to outsiders.
  - (4) Authorized persons and organizations which are given work in connection with a student's application for, or receipt of, financial aid, but only to the extent necessary for such purposes as determining eligibility, amount, conditions and enforcement of terms and conditions.
  - (5) State and local officials to which such information is specifically required to be reported by effective state law adopted prior to November 19, 1974.
  - (6) Organizations conducting educational studies for the purpose of developing, validating, or administering predictive tests, administering student aid programs, and improving instruction. The studies shall be conducted so as not to permit personal identification of students to outsiders, and the information will be destroyed when no longer needed for these purposes.
  - (7) Accrediting organizations for purposes necessary to carry out their functions.
  - (8) Parents of a student who is a dependent for income tax purposes. (Note: The University may require documentation of dependent status such as copies of income tax forms.)
  - (9) Appropriate parties in connection with an emergency, where knowledge of the information is necessary to protect the health or safety of the student or other individuals.
  - (10) In response to a court order or subpoena. The University will make reasonable efforts to notify the student before complying with the court order.
- C. *Prior Consent Required*
  In all other cases, the University will not release personally identifiable information in education records or allow access to those records without prior consent of the student. Unless disclosure is to the student himself or herself, the consent must be written, signed, and dated, and must specify the records to be disclosed, the identity of the recipient, and the purpose of disclosure. A copy of the record disclosed will be provided to the student upon request and at his or her expense.
- D. *Record of Disclosures*
  The University will maintain with the student's education records a record for each request and each disclosure, except:
  - (1) disclosures to the student himself or herself;
  - (2) disclosures pursuant to the written consent of the student (the written consent itself will suffice as a record);
  - (3) disclosures to instructional or administrative officials of the University;
  - (4) disclosures of directory information.

  This record of disclosures may be inspected by the student, the official custodian of the records, and other University and governmental officials.

IV. It is the policy of the University of Maryland to provide students the opportunity to seek correction of their education records.
- A. *Request to Correct Records*
  A student who believes that information contained in his or her education records is inaccurate, misleading, or violative of privacy or other rights may submit a written request to the Office of Registrations specifying the document(s) being challenged and the basis for the complaint. The request will be sent to the person responsible for any amendments to the record in question. Within a reasonable period of time of receipt of the request, the University will decide whether to amend the records in accordance with the request. If the decision is to refuse to amend, the student will be so notified and will be advised of the right to a hearing. He or she may then exercise that right by written request to the Office of the Chancellor.
- B. *Right to a Hearing*
  Upon request by a student, the University will provide an opportunity for a hearing to challenge the content of the student's records. A request for a hearing should be in writing and submitted to the Office of Registrations. Within a reasonable time of receipt of the request, the student will be notified in writing of the date, place, and time reasonably in advance of the hearing.
  - (1) *Conduct of the Hearing*
    The hearing will be conducted by a University official who does not have a direct interest in the outcome. The student will have a full and fair opportunity to present evidence relevant to the issues raised and may be assisted or represented by individuals of his or her choice at his or her own expense, including an attorney.
  - (2) *Decision*
    Within a reasonable period of time after the conclusion of the hearing, the University will notify the student in writing of its decision. The decision will be based solely upon evidence presented at the hearing and will include a summary of the evidence and the reasons for the decision. If the University decides that the information is inaccurate, misleading, or otherwise in violation of the privacy or other rights of students, the University will amend the records accordingly.
- C. *Right to Place an Explanation in the Records*
  If, as a result of the hearing, the University decides that the information is not inaccurate, misleading, or otherwise in violation of the student's rights, the University will inform the student of the right to place in his or her record a statement commenting on the information and/or explaining any reasons for disagreeing with the University's decision. Any such explanation will be kept as part of the student's record as long as the contested portion of the record is kept and will be disclosed whenever the contested portion of the record is disclosed.

V. Right to File Complaint
A student alleging University noncompliance with the Family Educational Rights and Privacy Act may file a written complaint with the Family Educational Rights and Privacy Act Office (FERPA), Department of HEW, 330 Independence Avenue, S.W., Washington, D.C. 20201.

In accordance with the University Policy on Disclosure of Student Records, forms are available at the Registrations Counter, North Administration Building.

Any student who wishes to limit the disclosure of data/information as stated in this policy or wishes access to his/her official records should complete the appropriate form and return it to the Registrations Counter.

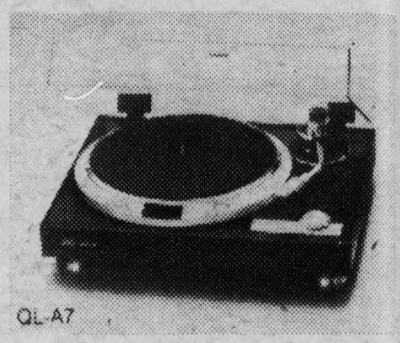
THE JVC QUARTZ-LOCKED TURNTABLE.

FIRST WE INVENTED IT. NOW WE'VE MADE IT MORE PRECISE THAN EVER.



JVC innovated the use of quartz crystals to control the accuracy of turntable speed in 1974. We've been improving our designs ever since. Now there's a Super Servo Frequency Generator, factory-set, to detect even the most minute variations in platter speed. Plus all the advantages of Direct Drive. And an exclusive new tone arm that holds the pickup cartridge firmly, yet allows it to track even the most complex record grooves without error. These, plus features like digital readout, electronic speed-change systems, and your choice of manual, semi-automatic or totally automatic operation, are why you should see JVC Quartz-Locked Turntables at your dealer soon.

Dirty, fuzzy high frequency sound is great when a rock artist plays it. But not so great when your cassette adds it. Unfortunately, most cassettes, no matter how costly, do just that. Fortunately, our premium AD cassette cleans up that act, and without cleaning out your wallet.* A unique ultra-sensitive formulation gives it a hot high end. So you don't have to set those high notes on the back burner—they can cook right up front—loud, clear, and distinct. And AD is ideal for any noise reduction system. AD, like all TDK cassettes, is backed by a full lifetime warranty.** TDK Electronics Corp., Garden City, N.Y. 11530.

*Nationally advertised value of one AD C-60: $2.69, AD C-90: $3.99. Also available in 45 and 120-minute lengths.

**In the unlikely event that any TDK cassette ever fails to perform due to a defect in materials or workmanship, simply return it to your local dealer or to TDK for a free replacement.

INTRODUCING SIX WAYS TO IMPROVE YOUR HEARING.

AKAI introduces just what the doctor ordered to improve your hearing: six great-sounding receivers that put real heart into your system, whether you listen to tape, records or FM.

Choose from six power ranges — 15 to 120 watts per channel — with prices you can afford. So now, no matter what receiver you want — a good basic unit or a unit with all the features an audiophile demands — AKAI's for you. You can feel confident that dollar for dollar, spec for spec, you're getting the true-to-life sound you expect from the name AKAI. And a receiver that delivers better tuner sensitivity and less distortion at all volume levels is what a good receiver is all about.

Compare performance, features, design and value at your AKAI dealer. And start hearing what you've been missing.

ALL THE PERFECTION A HUMAN EVER NEEDS.

Take our Open Book Test and maybe win a pair of Bose 901 speakers.

Sometime this school year, six lucky (and smart) college students will each win a pair of Bose 901 Direct/Reflecting® speaker systems worth about $800 a pair.

The winners will be flown, expenses paid, to enjoy a night on the town in Boston. Then, next day, they will tour the Bose factory in Framingham, Massachusetts. They will participate with Bose engineers and marketing people in a University Audio Seminar. And, they will receive their newly won Bose 901 speakers.

The catch? There isn't any.

All you have to do is take a short test composed of several easy questions (we send you the material in which to find the answers), then sit back and hope.

To get your test, just fill out and mail the coupon below. And, while you wait for the test to arrive, it's not considered cheating if you go to a Bose dealer and listen to the great-sounding line of Bose Direct/Reflecting® speakers.

You might even decide to buy a pair. After all, a little research before the test couldn't hurt, even if it is open book.

I'm ready. Send me everything I need in order to take the Bose Open Book Test.
